Dear Sir

Please note the delay in completing the Registration of the The Conservative Libertarian Party

The matter has been under Appeal to the Supreme Court of the United Kingdom since the  
Party's 5 September 2020-dated Appeal against the Judgment of the Central London County  
Court and the Court of Appeal on their Rulings on the disposal of Claim E35YM660 in regard to

**CLAIMANT'S SUBMISSION TO HER HONOUR JUDGE BACKHOUSE ON E35YM660 AT THE CENTRAL LONDON COUNTY COURT**

To

Her Honour Judge Backhouse

My Ladyship

***Background:***

Appeal Arguments relating to the two Orders dated 14 January 2020 and 30 September 2020 were specifically submitted to the Defendant in my Updated Particulars of Claim on 24 March 19.31 hours by agreed email and updated since. This was made clear to the Court prior to 3 April 2020 Hearing presided over by Judge Backhouse on which the 12 May 2020 Order attached is based (Central London County Court or Order 12 May 2020.docx attached to this submission).

***Summary of petition***

1. I wished to do something positive for national development of the United Kingdom so that it can contribute to World Conservation in order to improve global society and initiated the following petitions. Some were approved for hosting whereas others were inexplicably turned down and disabled by 38 Degrees and Liberty. I resorted to Action-network in view of this lack of cooperation. This is what my Appeal is all about. Please refer to the following links in administering your decision on whether I am justified in voicing these concerns or not. If I am not, you may turn down my reconsideration of permission to Appeal the 14 January 2019 dated Order of the Court on E35YM660 (Dr Shantanu Panigrahi vs Mrs Theresa May; nay the present Prime Minister of the United Kingdom, Mr Boris Johnson as the Defendant singly).

2. The petitions in question were:

2. Further evidence for my petitions may be examined at the following websites which have stood the test of time in that they were beyond criticisms from the general public because they are factual representations of the investigations that I have conducted in arriving at the petitions:

3. The evidence in these websites support the Particulars of Claim in the Claim Form and the Appellants Notice of a concerted national and international conspiracy against me to obstruct justice and pervert the course of justice by the States concerned. The government is therefore obliged to take these petitions seriously or give its reasons for not considering them through the normal processes of Parliamentary scrutiny. The functioning of the Parliament and the

Monarchy must be subject to the due process of scrutiny through the Courts to outline individual responsibilities to society and hence this Claim that I am pursuing. Otherwise there is no hope for the nation that I love.

4. Madam, a Judge of Her Majesty's Establishment is the law of the nation. Please therefore advise me if I am right or wrong in bringing this to your attention.

5. As you must be aware, I have only asked for a nominal £3000 in damages and compensation for what I have suffered over 22 years that led me to my published petitions because I am only progressing this Appeal proceedings in sincere belief that it is in the public interest nationally and globally.

6. Please therefore advise me if a Judgement or Order can be considered now appropriately to bring a closure to this long-standing (22 year-old) saga.

Yours faithfully

Dear Julie

There is some uncertainty in my mind this morning on a number of inter-related issues, as follows:

My wife had telephoned a few days ago and spoken with Dr Odesanya about various concerns she had about my well being and her role in supervising this at our home. I understood from her that a medication review was being considered, and they had agreed that Dr Odesanya will write to me a letter of appointment for a Face to Face assessment.

Whilst I did not wish any further appointments in Britton House, I do realise that I can only be released into the primary care of my doctor Dr Mawanche at the Shah Surgery with Dr Odesanya's approval and issue of another Care Plan document stating that this discharge into primary care has been effected.

I therefore telephoned Britton House when I did not receive such a letter in the post. The lady receptionist (Jane) told me that she can give me the time of the appointment over the phone, and did so as being 9 December 2020 at 10.00 am.

Whilst I am agreeable to see him and acceded to his request that my wife must accompany me to the Meeting at on the 9th of December without any such letter arriving in the post by then, although this would have been helpful to update my official records that I maintain, Dr Odesanya must be made aware of certain other developments. Kent Police's lady Police Officer (Badge No 6.204) came to our home yesterday roughly around 3.15 pm yesterday to follow up a contact made by the Hempstead Valley Shopping Centre Branch of Santander Bank following my decision to convert both the Bank Account Names to TCLP-UK (The Conservative Libertarian Party of the United Kingdom) of which I am the General Secretary awaiting the completion of registration that has been applied for at the Election Commission. I left our Santander Passbook relating to the joint-account that I am Claiming for TCLP-UK, and explained to the Police Officer that my suggestion that our family finances must be separated by my Teacher's Pension money continuing to be credited into our Barclays Current Account for the running expenses of the household to be eventually given to our daughter Shanti Rupa Panigrahi from all future proceeds starting yesterday and I accordingly make no Claim to that Account held at Barclays Bank PLC. The Police Officer asked my wife to telephone Santander and find out what is happening following my decision as above, and she got both the Santander Account Blocked by the Bank. This is most disconcerting as I as the General Secretary of the Party have transactions to implement right now to progress its work, and so a decision of the separation of financial assets must be considered at the forthcoming meeting in light of the legal advice and representation made to the Bury St Edmonds Regional Divorce Centre through Managed Divorce to which the £347 Lawyers Fees has been paid.

Furthermore, the Police Officer had undertaken to contact the Social Services to visit our home to iron out the Carer's responsibility that to her as 'not being a good Carer, but a Control Freak), but no one from Social Services has contacted me as thing stand right now.

I have given my Barclays Current Account details for the income that I will earn from Sainsbury's employment as Services Assistant for which the Induction is imminent on 8 December 2020 at 9.00 (Angel Centre, Tonbridge, Mr Calum Hayward contact 01732 359811), which I wish to use for my personal expenses through the Barclays Account with all the Santander Money in the two Accounts held there belonging to the TCLP-UK from now onwards. The cheque book that I applied for online to Santander must be endorsed accordingly before it is sent when these Accounts are unblocked with Statements on both Accounts to be sent to me as the General Secretary of the Political Party. This should be done immediately and in this regard, I am copying this email for the attention of Her Honour Judge Backhouse for deliberations on the attached revised Claimants Submission to the CLAIMANT'S SUBMISSION5Dec2020.docs attached-proceedings of Claim E35YM660. Related to this is the fact that I asked the Policewoman

showing her my British Passport that I was concerned about for not going to my Induction yesterday at 2.00 pm for my Christmas Casual Appointment that I will reschedule by copy of this email to Royal Mail. Her clear advice was that my British Passport is valid and no one can take this away from me at the forthcoming Inductions at Royal Mail and Sainsburys.

I await your next response, and a redated letter of Appointment on a later date than 9 December 2020, without the presence of my wife at the appointment for the above-mentioned reasons.

Yours sincerely

Dear Sir

I am not clear whether the Master at the Court of Appeal has read my attached complaint on this Saturday against his deliberate deceitful misinterpretation of my Appeal in Case Number 2018/PI/11721 that I sought an explanation for in terms of Full Written Reasons for the progress of this Appeal as attached: ToCourtOfAppealccSupremeCourt5Sep2020 but it would appear from the two additional bullying, intimidatory and harassing emails designed to pervert the course of justice that I have just received as attached Frindeed5Sep2020c.docx and FrExtinctionRebellion5Sep2020b.docx, that Master concerned remains unapologetic for having misled me and the wider legal community.

Please identify the name of the Master responsible for this crime against humanity immediately, unless Her Majesty the Queen has voluntarily abdicated to avoid being summoned to the Court to explain her conduct over the past 20 years of monarchy that saw me being persecuted by the State and its overseas allied States for daring to retaliate at the monsters of the University of Greenwich, Shell UK, Sainsburys, Royal Mail, and the Mental Health authorities by publishing my discoveries on the unravelling of the British State in my Blog <https://shantanup.wordpress.com>.

Dear Sir

I am still awaiting the Master's decision on Directions for the Hearing of the following Appeal application against his incorrect comprehension and resulting direction that I was merely seeking the Full Written Reasons from the Circuit Judge Her Honour Judge Backhouse of the Central London County Court concerning the unjust disposal of the attached Claimant's Submission on Claim E35YM660 CLAIMANT'S SUBMISSION5Sep2020.docs, the response to which from the UK State has been the further harassment of me from the trolling activities of agents acting on behalf of the UK State as attached: Frindeed5Sep2020.docx; FrExtinctionRebellion5Sep2020b.docx.

Medway and Swale Advocacy Partnership

1. Thank you of your email of Thu, 20 Aug at 11:13, explaining that there were multiple issues involved in my earlier emails and that this was the reason that you could not assist me with with your advocacy services.

2. I am disappointed about this belated email from you because it did not come before the meeting that took place on the 14 August 2020.docx, with Dr Odesanya so that I had a confusing meeting with Dr Odesanya and with my wife joining in the conversation, the outcome of which is still not known to me for - see that attached correspondence with Lisa Pennington of Porchlight. FrLisaPenninton19Aug2020.docx relating to my query to the North Kent Magistrates Court as attached: ToNorthKentMagistrates18Aug2020.docx, which specifies the Charge, as follows:

The charge specified is therefore 'conspiracy to persecute Dr Shantanu Panigrahi into a mental hospital or to drive him to a mental state that would lead him to terminate his life in this country'.

3. This is most clearly exemplified from the fact that I did not receive a telephone call or email or letter in the post from Dr Odesanya so far to clarify the outcome as I had perceived it and discussed in my correspondence with Lisa Pennington, who I will see only after I have received an updated Care Plan from Britton House (to answer her question of when I would be available to see her next).

4. There has been no correspondence from Sayeeda Choudhary or DAS Law concerning these proceedings, nor from Bar Council Portal concerning the attached appointment FrBarCouncilPortal25Jul2020.docx, so I will now proceed with looking for another mental capacity solicitor, if you do not change your mind and reply to this email before 12 noon today to pursue the Claim E35YM660 at the Central London County Court that remains adjourned as far as I know from the only document that I have so far received from the Court of the Defendants relating to the Claim: see Central London County Court Judgment or Order 12 May 2020.docx, and because my cherished Blog <https://shantanup.wordpress.com> continues to be disabled pending the judgment of this Court.

5. The main defendants and respondents are copied into this email as appropriate for their replies on how they defend against this charge to justify their roles in the persecution on my over the past 22 years of living in this country of the United Kingdom, which I will never leave, even if it means that I am incarcerated again in a mental hospital for pursuing my perceived aim at justice, now matter how long this takes, and not withstanding the intransigence of the Indian High Commission to reply to my concerning the my application for a Person of Indian Origin Card, to facilitate my holidays in India with my family in the future.

6. You will appreciate from this email that I am determined to maintain my sanity no matter how long this State-organised persecution continues, as for example from the reissue of the attached email from Reed this morning when I had clearly stated that I am leading a secluded life so they should have left me alone now: FrReed21Aug2020.docx.

7. I am copying this email to the Court of Appeal because I am still not in possession of the Full Written Reasons for Her Honour Judge Backhous' disposal of the Claim without an properly constituted Hearing of these matters that would have exonerated me in the eyes of the world, as the sanest person who ever lived with the intelligence to match this bombastic-sounding Claim as a purushuttama conceived through my Brahmaadvaita religion of Hinduism, and not withstanding the continued rejection of Hindu Dharma Forums to entertain this final chapter of Vedanta.

Yours sincerely

Dear Stripe

I am reassured by your response, which I believe has accommodated the submissions that I made today to the Courts concerned as linked here:

I will not entertain any intervention by the Courts in light of this correspondence this evening. The matter is closed as you will read from the document sent to you as an attachment to the dispute complaint ToSlater&Gordon(WHACKING AT THE MADARCHODS)26Nov2024.docx.

Most car finance deals arranged through a dealer involved commission.

: Important mainly because it was sent directly to you.

Thank you for contacting the Financial Ombudsman Service, we are a free service set up to resolve disputes with financial businesses, like banks or insurance companies. We're helping a lot of customers at the moment, so I'm sorry we won't be able to reply straight away.

If you're contacting us about a new complaint

You can find out more about the things we can help with on our website – where you can also use our complaint checker tool to see if your complaint is one we can look at.

If we can help, we will get back to you within 7 days. Due to the volume of enquiries we receive, we are only able to reply to those customers we can help.

If you already have a complaint with us

We'll contact you once your complaint is with a case-handler.

However, if you're experiencing serious financial or health problems, or need to speak to someone urgently, please call us on 0800 023 4567.

If we are not able to help you

We can only look at complaints about financial businesses (like banks, insurance companies and finance firms). We can't help with other complaints – for example, about phone and utility companies, council tax or legal services. Please look at our website for more information about other organisations that may be able to help – but they are completely separate from the Financial Ombudsman Service

And just to remind you again, if we can help, we will get back to you within 7 days.

Thanks,

Financial Ombudsman Service

Legal Ombudsman

Thank you for your email

We are currently dealing with a high volume of enquiries.

If you already have a case with us, we will add your email to the file. A colleague will be in touch with you just as soon as they review your email.

If you are contacting us for the first time about a complaint, please be aware that it may take around 10 weeks before you hear from us, and at that stage, we may need to ask you for more information. We thank you for your patience and would like to reassure you that our teams are working very hard to review and respond to your email as quickly as possible.

Once we have confirmed that we have all the information we need, we will write to you to let you know that we have passed your case for formal assessment by an investigator.

Please be aware that there is a considerable wait for a case to be assessed by an investigator, which varies depending on the complexity of the case. More information about the wait times will be included in the letter we send to you at the time the case is added to a queue and can also be found on our website.

If you have concerns about the wait times and feel they may detrimentally impact on you or your case, for example, because of a financial hardship or serious health concern, please let us know.

Have you complained to your service provider?

We can only investigate a complaint once the service provider has had the chance to investigate it and respond. This means you need to make a formal complaint to them first. You can find further information on our website about how to complain to your service provider, including a template complaint letter.

How to complain to us

If you have already complained to your service provider and have not received a satisfactory response, then we might be able to help. The easiest way to check if we can help you is to use our complaint checker tool on our website. Alternatively, you can send us a completed complaint form, which is available to download from our website.

We will need your completed complaint form, along with a copy of your complaint to the service provider and copies of any responses you have received from them. Please only send us copies and not original documents.

You should be aware that we are also unable to accept documents from an online document storage facility such as Dropbox.

Do not send us any other information until we request it.

If you need to write to us, our address is:

Legal Ombudsman

PO Box 6167

SLOUGH

SL1 0EH

Our telephone number is 0300 555 0333. We are open from 9am to 4pm from Monday to Friday.

Calls may be recorded and used for training and monitoring purposes.

Have we let you know we have passed your case for assessment?

If we have already let you know your case is awaiting assessment by an investigator, you do not need to do anything further at this stage. An investigator will contact you when they start working on the complaint. Please note that you may be waiting a considerable time before your case will be passed to an investigator. The letter we have sent to you should provide you with more specific information about these timescales. We will provide updates every three months.

Supporting you in making a complaint

You can find out more about how we work and how we can help you by visiting our website ([www.legalombudsman.org.uk](http://www.legalombudsman.org.uk)). Here you will find a copy of our complaint form and information about how to complain, along with useful factsheets.

We are committed to making sure the way we work does not put you at a disadvantage so in addition to our legal duty to provide reasonable adjustments for disabled people, if you need any help or support, please tell us about it and we will do our best to meet your needs. We also understand that your circumstances might change, along with the support that you need, so please let us know at any time and we will consider your request.

The House of Commons Petition Committee Team

Dear Sir/Madam

I should bring to your kind attention the correspondence below in relation to my Petition:

Click this link to sign the petition:

<https://petition.parliament.uk/petitions/700677/sponsors/new?token=kXqTG3pEemMKEpeiJwHJ>

My petition:

Develop an official written Constitution in the United Kingdom for governance.

An unwritten Constitution foisted upon the people is wrong morally. A written Constitution is needed that outlines the relationships between the Head of State and Parliament at both Houses and in terms of their inter-connections with the Security Services, Judicial and other State institutions.

Unwritten Constitution makes a Monarchical Establishment to become secretly dictatorial and tyrannical to selected individuals and groups. With a written constitution people are fully informed on what to expect from the State and what is expected of them to the State. With a written Constitution people will be fully informed on who is in charge of procedures in Parliament, Mental Health Institutions, Security Services; and who a citizen can successfully prosecute in civil and criminal courts.

Yours sincerely

Dear Sir

Please note the delay in completing the Registration of the The Conservative Libertarian Party (TCLP-UK) due to financial fraud in Santander Bank's embezzlement of the liquid-asset property of the Party.

The matter has been under Appeal to the Supreme Court of the United Kingdom since the Party's 5 September 2020-dated Appeal against the Judgment of the Central London County Court and the Court of Appeal on their Rulings on the disposal of Claim E35YM660 in regard to permission to Appeal the Circuit Judge's Decision dated 12 May 2020 not granted to the then Appellant now joined and represented by the TCLP-UK.

Your complaint about Santander UK Plc

Thank you for your email.

We've sent you a complaint form for all the reference numbers you mentioned in your email for them to be completed and returned.

However, you haven't completed and returned the complaint forms for any of your complaints which we need to progress them.

Could you complete and return all of the complaint forms please?

When you do this, could you return them all to us in separate emails quoting the correct reference for so they can be allocated to the correct complaint.

Once we receive the forms back, we will let you know the next steps.

Thank you for contacting the Financial Ombudsman Service, we are a free service set up to resolve disputes with financial businesses, like banks or insurance companies.

We're helping a lot of customers at the moment, so I'm sorry we won't be able to reply straight away.

If you're contacting us about a new complaint

You can find out more about the things we can help with on our website – where you can also use our complaint checker tool to see if your complaint is one we can look at.

If we can help, we will get back to you within 7 days. Due to the volume of enquiries we receive, we are only able to reply to those customers we can help.

CLAIMANT'S SUBMISSION TO HER HONOUR JUDGE BACKHOUSE ON E35YM660 AT THE CENTRAL LONDON COUNTY COURT

To

Her Honour Judge Backhouse

My Ladyship

Background:

Appeal Arguments relating to the two Orders dated 14 January 2020 and 30 September 2020 were specifically submitted to the Defendant in my Updated Particulars of Claim on 24 March 19.31 hours by agreed email and updated since. This was made clear to the Court prior to 3 April 2020 Hearing presided over by Judge Backhouse on which the 12 May 2020 Order attached is based (Central London County Court or Order 12 May 2020.docx attached to this submission).

Summary of petition

1. I wished to do something positive for national development of the United Kingdom so that it can contribute to World Conservation in order to improve global society and initiated the following petitions. Some were approved for hosting whereas others were inexplicably turned down and disabled by 38 Degrees and Liberty. I resorted to Action-network in view of this lack of cooperation. This is what my Appeal is all about. Please refer to the following links in administering your decision on whether I am justified in voicing these concerns or not. If I am not, you may turn down my reconsideration of permission to Appeal the 14 January 2019 dated Order of the Court on E35YM660 (Dr Shantanu Panigrahi vs Mrs Theresa May; nay the present Prime Minister of the United Kingdom, Mr Boris Johnson as the Defendant singly).

2. Further evidence for my petitions may be examined at the following websites which have stood the test of time in that they were beyond criticisms from the general public because they are factual representations of the investigations that I have conducted in arriving at the petitions:

**Personal websites:**

3. The evidence in these websites support the Particulars of Claim in the Claim Form and the Appellants Notice of a concerted national and international conspiracy against me to obstruct justice and pervert the course of justice by the States concerned. The government is therefore

obliged to take these petitions seriously or give its reasons for not considering them through the normal processes of Parliamentary scrutiny. The functioning of the Parliament and the Monarchy must be subject to the due process of scrutiny through the Courts to outline individual responsibilities to society and hence this Claim that I am pursuing. Otherwise there is no hope for the nation that I love.

4. Madam, a Judge of Her Majesty's Establishment is the law of the nation. Please therefore advise me if I am right or wrong in bringing this to your attention.

5. As you must be aware, I have only asked for a nominal £3000 in damages and compensation for what I have suffered over 22 years that led me to my published petitions because I am only progressing this Appeal proceedings in sincere belief that it is in the public interest nationally and globally.

6. Please therefore advise me if a Judgement or Order can be considered now appropriately to bring a closure to this long-standing (22 year-old) saga.

Yours faithfully

Dear Julie

There is some uncertainty in my mind this morning on a number of inter-related issues, as follows:

My wife had telephoned a few days ago and spoken with Dr Odesanya about various concerns she had about my wellbeing and her role in supervising this at our home. I understood from her that a medication review was being considered, and they had agreed that Dr Odesanya will write to me a letter of appointment for a Face to Face assessment.

Whilst I did not wish any further appointments in Britton House, I do realise that I can only be released into the primary care of my doctor Dr Mawanche at the Shah Surgery with Dr Odesanya's approval and issue of another Care Plan document stating that this discharge into primary care has been effected.

I therefore telephoned Britton House when I did not receive such a letter in the post. The lady receptionist (Jane) told me that she can give me the time of the appointment over the phone, and did so as being 9 December 2020 at 10.00 am.

Whilst I am agreeable to see him and acceded to his request that my wife must accompany me to the Meeting at on the 9th of December without any such letter arriving in the post by then, although this would have been helpful to update my official records that I maintain, Dr Odesanya must be made aware of certain other developments. Kent Police's lady Police Officer (Badge No 6.204) came to our home yesterday roughly around 3.15 pm yesterday to follow up a contact made by the Hempstead Valley Shopping Centre Branch of Santander Bank following my decision to convert both the Bank Account Names to TCLP-UK (The Conservative Libertarian Party of the United Kingdom) of which I am the General Secretary awaiting the completion of registration that has been applied for at the Election Commission. I left our Santander Passbook relating to the joint-account that I am Claiming for TCLP-UK, and explained to the Police Officer that my suggestion that our family finances must be separated by my Teacher's Pension money continuing to be credited into our Barclays Current Account for the running expenses of the household to be eventually given to our daughter Shanti Rupa Panigrahi from all future proceeds starting yesterday and I accordingly make no Claim to that Account held at Barclays Bank PLC. The Police Officer asked my wife to telephone Santander and find out what is happening following my decision as above, and she got both the Santander Account Blocked by the Bank. This is most disconcerting as I as the General Secretary of the Party have transactions to implement right now to progress its work, and so a decision of the separation of financial assets must be considered at the forthcoming meeting in light of the legal advice and representation made to the Bury St Edmonds Regional Divorce Centre through Managed Divorce to which the £347 Lawyers' Fees has been paid.

Furthermore, the Police Officer had undertaken to contact the Social Services to visit our home to iron out the Carer's responsibility that to her as 'not being a good Carer, but a Control Freak), but no one from Social Services has contacted me as thing stand right now.

I have given my Barclays Current Account details for the income that I will earn from Sainsbury's employment as Services Assistant for which the Induction is imminent on 8 December 2020 at 9.00 (Angel Centre, Tonbridge, Mr Calum Hayward contact 01732 359811), which I wish to use for my personal expenses through the Barclays Account with all the Santander Money in the two Accounts held there belonging to the TCLP-UK from now onwards. The cheque book that I applied for online to Santander must be endorsed accordingly before it is sent when these Accounts are unblocked with Statements on both Accounts to be sent to me as the General Secretary of the Political Party. This should be done immediately and in this regard, I am copying this email for the attention of Her Honour Judge Backhouse for deliberations on the attached revised Claimants Submission to the CLAIMANT'S SUBMISSION5Dec2020.docs attached-

proceedings of Claim E35YM660. Related to this is the fact that I asked the Policewoman showing her my British Passport that I was concerned about for not going to my Induction yesterday at 2.00 pm for my Christmas Casual Appointment that I will reschedule by copy of this email to Royal Mail. Her clear advice was that my British Passport is valid and no one can take this away from me at the forthcoming Inductions at Royal Mail and Sainsburys.

I await your next response, and a redated letter of Appointment on a later date than 9 December 2020, without the presence of my wife at the appointment for the above-mentioned reasons.

Yours sincerely

Dear Sir

I am not clear whether the Master at the Court of Appeal has read my attached complaint on this Saturday against his deliberate deceitful misinterpretation of my Appeal in Case Number 2018/PI/11721 that I sought an explanation for in terms of Full Written Reasons for the progress of this Appeal as attached: ToCourtOfAppealccSupremeCourt5Sep2020 but it would appear from the two additional bullying, intimidatory and harassing emails designed to pervert the course of justice that I have just received as attached Frindeed5Sep2020c.docx and FrExtinctionRebellion5Sep2020b.docx, that Master concerned remains unapologetic for having misled me and the wider legal community.

Please identify the name of the Master responsible for this crime against humanity immediately, unless Her Majesty the Queen has voluntarily abdicated to avoid being summoned to the Court to explain her conduct over the past 20 years of monarchy that saw me being persecuted by the State and its overseas allied States for daring to retaliate at the monsters of the University of Greenwich, Shell UK, Sainsburys, Royal Mail, and the Mental Health authorities by publishing my discoveries on the unravelling of the British State in my Blog <https://shantanup.wordpress.com>.

Medway and Swale Advocacy Partnership

1. Thank you of your email of Thu, 20 Aug at 11:13, explaining that there were multiple issues involved in my earlier emails and that this was the reason that you could not assist me with with your advocacy services.

2. I am disappointed about this belated email from you because it did not come before the meeting that took place on the 14 August 2020.docx, with Dr Odesanya so that I had a confusing meeting with Dr Odesanya and with my wife joining in the conversation, the outcome of which is still not known to me for - see that attached correspondence with Lisa Pennington of Porchlight. FrLisaPenninton19Aug2020.docx relating to my query to the North Kent Magistrates Court as attached: ToNorthKentMagistrates18Aug2020.docx, which specifies the Charge, as follows:

The charge specified is therefore 'conspiracy to persecute Dr Shantanu Panigrahi into a mental hospital or to drive him to a mental state that would lead him to terminate his life in this country'.

3. This is most clearly exemplified from the fact that I did not receive a telephone call or email or letter in the post from Dr Odesanya so far to clarify the outcome as I had perceived it and discussed in my correspondence with Lisa Pennington, who I will see only after I have received an updated Care Plan from Britton House (to answer her question of when I would be available to see her next).

4. There has been no correspondence from Sayeeda Choudhary or DAS Law concerning these proceedings, nor from Bar Council Portal concerning the attached appointment FrBarCouncilPortal25Jul2020.docx, so I will now proceed with looking for another mental capacity solicitor, if you do not change your mind and reply to this email before 12 noon today to pursue the Claim E35YM660 at the Central London County Court that remains adjourned as far as I know from the only document that I have so far received from the Court of the Defendants relating to the Claim: see Central London County Court Judgment or Order 12 May 2020.docx, and because my cherished Blog <https://shantanup.wordpress.com> continues to be disabled pending the judgment of this Court.

5. The main defendants and respondents are copied into this email as appropriate for their replies on how they defend against this charge to justify their roles in the persecution on my over the past 22 years of living in this country of the United Kingdom, which I will never leave, even if it means that I am incarcerated again in a mental hospital for pursuing my perceived aim at justice, no matter how long this takes, and notwithstanding the intransigence of the Indian High Commission to reply to my concerning the my application for a Person of Indian Origin Card, to facilitate my holidays in India with my family in the future.

6. You will appreciate from this email that I am determined to maintain my sanity no matter how long this State-organised persecution continues, as for example from the reissue of the attached email from Reed this morning when I had clearly stated that I am leading a secluded life so they should have left me alone now: FrReed21Aug2020.docx.

7. I am copying this email to the Court of Appeal because I am still not in possession of the Full Written Reasons for Her Honour Judge Backhouse' disposal of the Claim without an properly constituted Hearing of these matters that would have exonerated me in the eyes of the world, as the sanest person who ever lived with the intelligence to match this bombastic-sounding Claim as a purushuttama conceived through my Brahmaadvaita religion of Hinduism, and notwithstanding the continued rejection of Hindu Dharma Forums to entertain this final chapter of Vedanta.

Yours sincerely

Dear Stripe

Thank you for letting me have your final decision that The Conservative Libertarian Publications Limited remains on Restricted Access to the Onboarding facilities of Stripe Payments UK Limited so that our Join It website is still functional on a donation basis only to increase our membership of Vishista Advaita Sampradaya (TCLS/TCLP-UK) and that this association with Stripe will continue indefinitely into the future.

Hi there,

Thank you for bringing your concerns to our attention. We appreciate the opportunity to investigate your complaint. Please find below Stripe's final response to your complaint submitted on November 27, 2024

#### Summary

User has raised a complaint to reinstate the account.

#### Details of our review

During a routine review, Stripe determined that your account was too high risk to support. As such, it closed your account. The closure of your account is in accordance to Stripe's Services Agreement:

<https://stripe.com/legal/ssa#termination>

Given the high risk of losses associated with the charges on your account, Stripe is unable to release these funds as of now. Any available funds on your account after the risk of disputes have passed, shall be released to you post this period.

#### Conclusion

Stripe has reviewed your account again in light of this complaint and determined that it is not able to take further action here.

We trust that the above clarifies this matter; however, if you have any further questions or concerns based on new information, please do not hesitate to contact us again. Should you remain dissatisfied with our final response, you have the right to refer your complaint to the Financial Ombudsman Service <https://www.financial-ombudsman.org.uk> free of charge, and you must do so within 6 months. If you do not refer your complaint in time, the Ombudsman will not have our permission to consider your complaint and so will only be able to do so in very limited circumstances. For example, if the Ombudsman believes that the delay was as a result of exceptional circumstances. A copy of the Financial Ombudsman Service consumer leaflet is available for you at <https://www.financial-ombudsman.org.uk/businesses/resolving-complaint/ordering-leaflet/leaflet>

Your Stripe Services Agreement ([stripe.com/legal/ssa](https://stripe.com/legal/ssa)) contains information regarding Stripe's right to take certain actions in relation to your account. If you have any further questions about the actions that Stripe can take under your Stripe Services Agreement, you can contact us back. Prior versions of the Stripe Services Agreement may be relevant depending on when the issue complained of occurred.

Sincerely,  
Will

Dear Stripe

I only go by the evidence. There is no evidence of any legal proceedings is pending or being undertaken now by The Court of Appeal to examine the Particulars of Damages and Compensation J00ME572 at Medway County Court in Dr Shantanu Panigrahi vs Kent Police (attached and E35YM660 at the County Court of Central London (Dr Shantanu Panigrahi vs Prime Minister of the United Kingdom). Furthermore there is no evidence that the House of Commons Petition Committee will discharge the proceedings on the Petition matter as attached (ToHOCPetitionsCommittee(Publication of the Original Petition is required without any delay that is immediately)30Nov2024.docx.

Under the circumstances, Stripe should consider the technicalities of the Banking Support to the Conservative Libertarian Publications Limited by itself and issue me with a final Statement to close the matter. This is because I have other things that I wish to get on with (THIS IS WHERE I SAY GOODBYE-digital.pdf attached), and cannot get bogged down to what has been a painfully long experience of developing TCLP-UK.

I trust that Stripe will accordingly now determine the outcome of this serious matter that has been turned into a charade by the powers that be of the State of the United Kingdom.

Dear Shantanu,

Thank you for your petition - Develop an official written Constitution in the United Kingdom for governance.

Before we can accept your petition, we'll need to make a few changes, to ensure your petition meets our standards. If you accept our changes, your petition will read as follows:

Develop an official written Constitution in the UK

We believe that we have an unwritten Constitution foisted upon the people and this is wrong morally. We think a written Constitution is needed that outlines the relationships between the Head of State and Parliament (both Houses) and in terms of their inter-connections with the Security Services, Judicial and other State institutions.

We think a unwritten constitution allows certain groups to have too much power. With a written constitution people are fully informed on what to expect from the State and what is expected of them to the State. With a written Constitution people could be fully informed on who is in charge of procedures in Parliament and other state bodies; and who a citizen can successfully prosecute in civil and criminal courts.

If you are happy to accept that suggestion, let me know and I will publish your petition. If you would like something different, let me know and we can discuss the wording.

Dear Bar Standards Board

My complaint has been against Mr Forz Khan, a barrister and I have I thought exhausted all legal avenues to hold him to account, including considering petitioning the House of Commons as attached: ToHouseofCommonsPetitionCommittee(FULL WRITTEN REASONS FOR THE

DISPOSAL OF E35YM660&CA\_2023\_000750)5Dec2024.docx for my claim of damages and compensation from the United Kingdom Treasury of £300 million for the 26 years of police brutality, victimisation, M15/M16-engineered terrorism on me and my associates through hundreds of criminal anonymous emails, religious persecution, obstruction of justice and quite deliberately perverting the course of justice.

I am once again offering Mr Forz Khan to write to me: he has ignored the last half a dozen emails that I sent him for an update on legal proceedings against elements of the Monarchical Establishment through a fictitious unit called VOPA (apparently Victims of Panigrahi Association) led by Marty Caine, Dr Sivaji Panesar, Nitin Bhardwaj, Mr Wuehler, Cherie and Ed Mulhouse.

If you believe that Mr Forz Khan has a responsibility to reply to me according the Regulatory process of the Bar Standards Board, let him state his position now, and set the ball rolling.

Yours sincerely

Dear Dr Panigrahi

Thank you for your email which the BSB has been copied into.

The BSB is the regulator for barristers in England and Wales. We have the ability to take action where matters impact the regulatory objectives set out by the Legal Services Act. Action we can take includes matters like supervisory action to prevent future breaches of the handbook and providing guidance where necessary. It also can include enforcement action, through an investigation and tribunal process, when a barrister breaches the BSB Handbook.

If you have concerns about a barrister (so long as they are not disbarred or working for you), you can let us know by making a report to us. We will then consider whether we need to take any action to address the concern. We may not always feel it is right for us to take action, but any information we receive will help us to ensure that our regulation remains effective. You can find the Reporting form on the BSB website here [Reporting concerns about barristers](https://www.barstandardsboard.org.uk/reporting-concerns-about-barristers) (barstandardsboard.org.uk).

Dear Sir/Madam

I should bring to your kind attention the correspondence below in relation to my Petition:

Click this link to sign the petition:

<https://petition.parliament.uk/petitions/700677/sponsors/new?token=kXqTG3pEemMKEpeiJwHJ>

My petition:

Develop an official written Constitution in the United Kingdom for governance.

An unwritten Constitution foisted upon the people is wrong morally. A written Constitution is needed that outlines the relationships between the Head of State and Parliament at both Houses and in terms of their inter-connections with the Security Services, Judicial and other State institutions.

Unwritten Constitution makes a Monarchical Establishment to become secretly dictatorial and tyrannical to selected individuals and groups. With a written constitution people are fully informed on what to expect from the State and what is expected of them to the State. With a written Constitution people will be fully informed on who is in charge of procedures in Parliament, Mental Health Institutions, Security Services; and who a citizen can successfully prosecute in civil and criminal courts.

## **CLAIMANT'S SUBMISSION TO HER HONOUR JUDGE BACKHOUSE ON E35YM660 AT THE CENTRAL LONDON COUNTY COURT**

To  
Her Honour Judge Backhouse

My Ladyship

### **Background:**

Appeal Arguments relating to the two Orders dated 14 January 2020 and 30 September 2020 were specifically submitted to the Defendant in my Updated Particulars of Claim on 24 March 19.31 hours by agreed email and updated since. This was made clear to the Court prior to 3 April 2020 Hearing presided over by Judge Backhouse on which the 12 May 2020 Order attached is based (Central London County Court or Order 12 May 2020.docx attached to this submission).

### **Summary of petition**

1. I wished to do something positive for national development of the United Kingdom so that it can contribute to World Conservation in order to improve global society and initiated the following petitions. Some were approved for hosting whereas others were inexplicably turned down and disabled by 38 Degrees and Liberty. I resorted to Action-network in view of this lack of cooperation. This is what my Appeal is all about. Please refer to the following links in administering your decision on whether I am justified in voicing these concerns or not. If I am not, you may turn down my reconsideration of permission to Appeal the 14 January 2019 dated Order of the Court on E35YM660 (Dr Shantanu Panigrahi vs Mrs Theresa May; nay the present Prime Minister of the United Kingdom, Mr Boris Johnson as the Defendant singly).

2. Further evidence for my petitions may be examined at the following websites which have stood the test of time in that they were beyond criticisms from the general public because they are factual representations of the investigations that I have conducted in arriving at the petitions:

3. The evidence in these websites support the Particulars of Claim in the Claim Form and the Appellants Notice of a concerted national and international conspiracy against me to obstruct justice and pervert the course of justice by the States concerned. The government is therefore obliged to take these petitions seriously or give its reasons for not considering them through the normal processes of Parliamentary scrutiny. The functioning of the Parliament and the Monarchy must be subject to the due process of scrutiny through the Courts to outline individual responsibilities to society and hence this Claim that I am pursuing. Otherwise there is no hope for the nation that I love.

4. Madam, a Judge of Her Majesty's Establishment is the law of the nation. Please therefore advise me if I am right or wrong in bringing this to your attention.

5. As you must be aware, I have only asked for a nominal £3000 in damages and compensation for what I have suffered over 22 years that led me to my published petitions because I am only progressing this Appeal proceedings in in sincere belief that it is in the public interest nationally and globally.

6. Please therefore advise me if a Judgement or Order can be considered now appropriately to bring a closure to this long-standing (22 year-old) saga.

Yours faithfully

Dr Shantanu Panigrahi (Claimant)

Dear Julie

There is some uncertainty in my mind this morning on a number of inter-related issues, as follows:

My wife had telephoned a few days ago and spoken with Dr Odesanya about various concerns she had about my wellbeing and her role in supervising this at our home. I understood from her that a medication review was being considered, and they had agreed that Dr Odesanya will write to me a letter of appointment for a Face to Face assessment.

Whilst I did not wish any further appointments in Britton House, I do realise that I can only be released into the primary care of my doctor Dr Mawanche at the Shah Surgery with Dr Odesanya's approval and issue of another Care Plan document stating that this discharge into primary care has been effected.

I therefore telephoned Britton House when I did not receive such a letter in the post. The lady receptionist (Jane) told me that she can give me the time of the appointment over the phone, and did so as being 9 December 2020 at 10.00 am.

Whilst I am agreeable to see him and acceded to his request that my wife must accompany me to the Meeting at on the 9th of December without any such letter arriving in the post by then, although this would have been helpful to update my official records that I maintain, Dr Odesanya must be made aware of certain other developments. Kent Police's lady Police Officer (Badge No 6.204) came to our home yesterday roughly around 3.15 pm yesterday to follow up a contact made by the Hempstead Valley Shopping Centre Branch of Santander Bank following

my decision to convert both the Bank Account Names to TCLP-UK (The Conservative Libertarian Party of the United Kingdom) of which I am the General Secretary awaiting the completion of registration that has been applied for at the Election Commission. I left our Santander Passbook relating to the joint-account that I am Claiming for TCLP-UK, and explained to the Police Officer that my suggestion that our family finances must be separated by my Teacher's Pension money continuing to be credited into our Barclays Current Account for the running expenses of the household to be eventually given to our daughter Shanti Rupa Panigrahi from all future proceeds starting yesterday and I accordingly make no Claim to that Account held at Barclays Bank PLC. The Police Officer asked my wife to telephone Santander and find out what is happening following my decision as above, and she got both the Santander Account Blocked by the Bank. This is most disconcerting as I as the General Secretary of the Party have transactions to implement right now to progress its work, and so a decision of the separation of financial assets must be considered at the forthcoming meeting in light of the legal advice and representation made to the Bury St Edmonds Regional Divorce Centre through Managed Divorce to which the £347 Lawyers' Fees has been paid.

Furthermore, the Police Officer had undertaken to contact the Social Services to visit our home to iron out the Carer's responsibility that to her as 'not being a good Carer, but a Control Freak), but no one from Social Services has contacted me as thing stand right now.

I have given my Barclays Current Account details for the income that I will earn from Sainsbury's employment as Services Assistant for which the Induction is imminent on 8 December 2020 at 9.00 (Angel Centre, Tonbridge, Mr Calum Hayward contact 01732 359811), which I wish to use for my personal expenses through the Barclays Account with all the Santander Money in the two Accounts held there belonging to the TCLP-UK from now onwards. The cheque book that I applied for online to Santander must be endorsed accordingly before it is sent when these Accounts are unblocked with Statements on both Accounts to be sent to me as the General Secretary of the Political Party. This should be done immediately and in this regard, I am copying this email for the attention of Her Honour Judge Backhouse for deliberations on the attached revised Claimants Submission to the CLAIMANT'S SUBMISSION5Dec2020.docs attached-proceedings of Claim E35YM660. Related to this is the fact that I asked the Policewoman showing her my British Passport that I was concerned about for not going to my Induction yesterday at 2.00 pm for my Christmas Casual Appointment that I will reschedule by copy of this email to Royal Mail. Her clear advice was that my British Passport is valid and no one can take this away from me at the forthcoming Inductions at Royal Mail and Sainsburys.

I await your next response, and a redated letter of Appointment on a later date than 9 December 2020, without the presence of my wife at the appointment for the above-mentioned reasons.

Yours sincerely

Dear Sir

I am not clear whether the Master at the Court of Appeal has read my attached complaint on this Saturday against his deliberate deceitful misinterpretation of my Appeal in Case Number 2018/PI/11721 that I sought an explanation for in terms of Full Written Reasons for the progress of this Appeal as attached: ToCourtOfAppealccSupremeCourt5Sep2020 but it would appear from the two additional bullying, intimidatory and harassing emails designed to pervert the course of justice that I have just received as attached Frindeed5Sep2020c.docx and FrExtinctionRebellion5Sep2020b.docx, that Master concerned remains unapologetic for having misled me and the wider legal community.

Please identify the name of the Master responsible for this crime against humanity immediately, unless Her Majesty the Queen has voluntarily abdicated to avoid being summoned to the Court to explain her conduct over the past 20 years of monarchy that saw me being persecuted by the State and its overseas allied States for daring to retaliate at the monsters of the University of Greenwich, Shell UK, Sainsburys, Royal Mail, and the Mental Health authorities by publishing my discoveries on the unravelling of the British State in my Blog <https://shantanup.wordpress.com>.

Dear Sir

I am still awaiting the Master's decision on Directions for the Hearing of the following Appeal application against his incorrect comprehension and resulting direction that I was merely seeking the Full Written Reasons from the Circuit Judge Her Honour Judge Backhouse of the Central London County Court concerning the unjust disposal of the attached Claimant's Submission on Claim E35YM660 CLAIMANT'S SUBMISSION5Sep2020.docs, the response to which from the UK State has been the further harassment of me from the trolling activities of

Medway and Swale Advocacy Partnership

1. Thank you of your email of Thu, 20 Aug at 11:13, explaining that there were multiple issues involved in my earlier emails and that this was the reason that you could not assist me with with your advocacy services.

2. I am disappointed about this belated email from you because it did not come before the meeting that took place on the 14 August 2020.docx, with Dr Odesanya so that I had a confusing meeting with Dr Odesanya and with my wife joining in the conversation, the outcome of which is still not known to me for - see that attached correspondence with Lisa Pennington of Porchlight.

FrLisaPenninton19Aug2020.docx relating to my query to the North Kent Magistrates Court as attached: ToNorthKentMagistrates18Aug2020.docx, which specifies the Charge, as follows:

The charge specified is therefore 'conspiracy to persecute Dr Shantanu Panigrahi into a mental hospital or to drive him to a mental state that would lead him to terminate his life in this country'.

3. This is most clearly exemplified from the fact that I did not receive a telephone call or email or letter in the post from Dr Odesanya so far to clarify the outcome as I had perceived it and discussed in my correspondence with Lisa Pennington, who I will see only after I have received an updated Care Plan from Britton House (to answer her question of when I would be available to see her next).

4. There has been no correspondence from Sayeeda Choudhary or DAS Law concerning these proceedings, nor from Bar Council Portal concerning the attached appointment FrBarCouncilPortal25Jul2020.docx, so I will now proceed with looking for another mental capacity solicitor, if you do not change your mind and reply to this email before 12 noon today to pursue the Claim E35YM660 at the Central London County Court that remains adjourned as far as I know from the only document that I have so far received from the Court of the Defendants relating to the Claim: see Central London County Court Judgment or Order 12 May 2020.docx, and because my cherished Blog <https://shantanup.wordpress.com> continues to be disabled pending the judgment of this Court.

5. The main defendants and respondents are copied into this email as appropriate for their replies on how they defend against this charge to justify their roles in the persecution on my over the past 22 years of living in this country of the United Kingdom, which I will never leave, even if it means that I am incarcerated again in a mental hospital for pursuing my perceived aim at justice, no matter how long this takes, and notwithstanding the intransigence of the Indian High Commission to reply to my concerning the my application for a Person of Indian Origin Card, to facilitate my holidays in India with my family in the future.

6. You will appreciate from this email that I am determined to maintain my sanity no matter how long this State-organised persecution continues, as for example from the reissue of the attached email from Reed this morning when I had clearly stated that I am leading a secluded life so they should have left me alone now: FrReed21Aug2020.docx.

7. I am copying this email to the Court of Appeal because I am still not in possession of the Full Written Reasons for Her Honour Judge Backhouse' disposal of the Claim without an properly constituted Hearing of these matters that would have exonerated me in the eyes of the world, as the sanest person who ever lived with the intelligence to match this bombastic-sounding Claim as a purushuttama conceived through my Brahmaadvaita religion of Hinduism, and notwithstanding the continued rejection of Hindu Dharma Forums to entertain this final chapter of Vedanta.

Yours sincerely

Deleted two of this morning’s attempted posts Spamming The Conservative Libertarian Society website that I could not touch until the coast for the day was clear for the Courts at Court of Appeal and/or the Central London County Court could yet have used these to issue proceedings against me.

Hello Joshua,

It is not often that I receive an invitation to connect with a LinkedIn Member so I was very pleased to receive one this morning.

This is my present involvement in the shape of a Petition to the House of Commons Petition Committee FrHOC Petitions Committee Monnika(Further Time Needed to Check Petition)29Nov2024.docx; linked to the proceedings that ended today at the Court of Appeal (ToCourtofAppeal(APPEAL PROGRESSION ON CA-2023-000750 Clarifications)30Nov2024.docx). It may be of some interest to you although I do not know what your specialism is. Any assessment that you are able to provide me with as things seem to have come to a dead end, I will be grateful.

Thank you for your invitation to connect. I always keep up with my correspondence and hence this message.

I work to strict deadlines because I only have one life and so do not like wasting my time when facing road blocks on my travel journey, as for example in what I wrote to the Court of Appeal this morning: 'Accordingly, I should be grateful if on this Saturday morning the Duty Justices would attend to this communication in the interest of justice and send me an acknowledgment by email to this clarification provided for the benefit of all parties concerned in the Dispute.'

That is what I meant by not being restricted. I am more than a Libertarian. I am a Conservative Libertarian with duties and responsibilities otherwise known as righteous actions of dharma Gemma.

Hello Andrew

Good morning to you.

Pardon me if I get straight to the point on why I am seeking connections now after a gap of over a week.

Welcome to our world: have you noted how ridiculous the Duty Judges at the Central London County Court and at Medway County Court have been over the past 5 years or longer as summarised by the considerations here:

<https://www.knowledgeassessmentanddissemination.com/forum/general-discussion/one-could-never-get-an-answer-from-those-that-actually-matter-within-the-establishment-of-the-united-kingdom>

We in the United Kingdom do not have Justice and Law Enforcement system that serves the people of the nation. It exists to serve those in power who conduct the affairs of the State in secrecy with no one in charge overtly. There is no constitution therefore; the buck does not stop anywhere. These observations born of relentless pursuit of the truth led me to construct The Conservative Libertarian Society where everything is held in balance: people serve the State, and the State serves the people in turn.

There has never been a better time to bring about this change.

This is why I wish to invite you to take a bold step and join me at my The Conservative Libertarian Society and its offshoot The Conservative Libertarian Party of the United Kingdom at its Sampradaya (congregation) here:

<https://app.joinit.com/o/vishista-advaita-sampradaya-tclstclp-uk>

The ethos and principles can be read through the links but a red line that we cannot cross is for the United Kingdom to have a Written Constitution so that people know where they stand, the relationships between institutions are known with clarity and there is greater transparency in government so that secretive administration is no longer possible. It will make everyone more accountable for their actions, so less of corruption and promoting greater democracy. This is the site you need to go to if you agree to these principles:

<https://petition.parliament.uk/petitions/700677/sponsors/new?token=kXqTG3pEemMKEpeiJwHJ>

Hope to have your feedback on the proposal in relation to the justification for this development.

 Someone just submitted a form on your site (vishistaadvaitavedanta.com):  
 Name: Sammie Kern  
 Email: kern.sammie27@gmail.com  
 Date:  
 Message: Hi to Vishistaadvaitavedanta Administrator,

My name is Sammie, I discovered Vishistaadvaitavedanta following conducting a quick exploration – you appeared near the summit of the listings, so all that you're doing for SEO seems like it's operating well.

So here is my inquiry – what occurs AFTER someone lands on your website? Something?

Statistics reveals at least 70 percent of the visitors who discover your site, after a quick once-over, they leave... for good.

That means that all of the the hard work and commitment you invested into making them to appear goes down the tubes.

Why exactly would you wish so much excellent work – and the remarkable platform you've created – go to unused?

Since the probabilities are they'll just ignore calling or even pulling out their mobile phone, leaving you without connection.

Nevertheless, here's a suggestion... what if you could make things extremely simple for someone to express interest, okay, let's discuss without needing them to even pull out their mobile phone from their pocket, thanks to innovative new software that can make that initial call happen NOW.

Web Visitors Into Leads is a application that sits on your site, ready and waiting to gather any visitor's Contact Name, Email, and Contact Number. It notifies you right away – so that you can talk to that lead while they're still on your site, strike when the moment is right!

Visit <https://advanceleadgeneration.com> to test a Live Demo with Web Visitors Into Leads to witness how it works. When targeting leads, you need to move fast – the difference between contacting someone within 5 minutes versus 30 minutes later is huge – like 100 times more effective!

Therefore you should check out our new SMS Text With Lead capability... after you've secured the contact number of the website visitor, you can immediately kick off a chat with them.

Imagine how powerful this could be – even if they do not take you up on your offer, you can stay in touch with them through texts communications to present additional offers, or provide access to useful content, and build your credibility. This alone could significantly improve your website's results – act when the iron's hot!

Go to <https://advanceleadgeneration.com> to find out more about everything Web Visitors Into Leads can do for your business – you'll be impressed, and continue the excellent work!

Sammie Kern

PS: Web Visitors Into Leads provides a 14-day evaluation period – you might be converting up to 100x more prospects quickly! Visit <https://advanceleadgeneration.com> to explore Web Visitors Into Leads.

Hello Monika

Thank you for your email.

I note that the petition that has been published is a heavily watered down version of the original one and as such qualifies to be described as joint petition between TCLP-UK and the House of Commons Petition Committee: <https://petition.parliament.uk/petitions/700677>.

As such, I wondered if it could be fast-tracked for a government response immediately in light of the additional evidence of deep-rooted corruption that has emerged as attached:

ToBarStandardsBoard(MrForzKhan FULL WRITTEN REASONS hoc petition submission)5Dec2024.docx.

I should be grateful for a reply.

Dear Bar Standards Board

My complaint has been against Mr Forz Khan, a barrister and I have I thought exhausted all legal avenues to hold him to account, including considering petitioning the House of Commons as attached: ToHouseofCommonsPetitionCommittee(FULL WRITTEN REASONS FOR THE DISPOSAL OF E35YM660&CA\_2023\_000750)5Dec2024.docx for my claim of damages and compensation from the United Kingdom Treasury of £300 million for the 26 years of police brutality, victimisation, MI5/MI6-engineered terrorism on me and my associates through hundreds of criminal anonymous emails, religious persecution, obstruction of justice and quite deliberately perverting the course of justice.

I am once again offering Mr Forz Khan to write to me: he has ignored the last half a dozen emails that I sent him for an update on legal proceedings against elements of the Monarchical Establishment through a fictitious unit called VOPA (apparently Victims of Panigrahi Association) led by Marty Caine, Dr Sivaji Panesar, Nitin Bhardwaj, Mr Wuehler, Cherie and Ed Mulhouse.

If you believe that Mr Forz Khan has a responsibility to reply to me according the Regulatory process of the Bar Standards Board, let him state his position now, and set the ball rolling.

Yours sincerely

Dear Dr Panigrahi

Thank you for your email which the BSB has been copied into.

The BSB is the regulator for barristers in England and Wales. We have the ability to take action where matters impact the regulatory objectives set out by the Legal Services Act. Action we can take includes matters like supervisory action to prevent future breaches of the handbook and providing guidance where necessary. It also can include enforcement action, through an investigation and tribunal process, when a barrister breaches the BSB Handbook.

If you have concerns about a barrister (so long as they are not disbarred or working for you), you can let us know by making a report to us. We will then consider whether we need to take any action to address the concern. We may not always feel it is right for us to take action, but any information we receive will help us to ensure that our regulation remains effective. You can find the Reporting form on the BSB website here [Reporting concerns about barristers](https://www.barstandardsboard.org.uk/reporting-concerns-about-barristers) ([barstandardsboard.org.uk](https://www.barstandardsboard.org.uk)).

Dear Sir/Madam

Click this link to sign the petition:

<https://petition.parliament.uk/petitions/700677/sponsors/new?token=kXqTG3pEemMKEpeiJwHJ>

My petition:

Develop an official written Constitution in the United Kingdom for governance.

An unwritten Constitution foisted upon the people is wrong morally. A written Constitution is needed that outlines the relationships between the Head of State and Parliament at both Houses and in terms of their inter-connections with the Security Services, Judicial and other State institutions.

Unwritten Constitution makes a Monarchical Establishment to become secretly dictatorial and tyrannical to selected individuals and groups. With a written constitution people are fully informed on what to expect from the State and what is expected of them to the State. With a written Constitution people will be fully informed on who is in charge of procedures in Parliament, Mental Health Institutions, Security Services; and who a citizen can successfully prosecute in civil and criminal courts.

Appeal Arguments relating to the two Orders dated 14 January 2020 and 30 September 2020 were specifically submitted to the Defendant in my Updated Particulars of Claim on 24 March 19.31 hours by agreed email and updated since. This was made clear to the Court prior to 3 April 2020 Hearing presided over by Judge Backhouse on which the 12 May 2020 Order attached is based (Central London County Court or Order 12 May 2020.docx attached to this submission).

**Summary of petition**

1. I wished to do something positive for national development of the United Kingdom so that it can contribute to World Conservation in order to improve global society and initiated the following petitions. Some were approved for hosting whereas others were inexplicably turned down and disabled by 38 Degrees and Liberty. I resorted to Action-network in view of this lack of cooperation. This is what my Appeal is all about. Please refer to the following links in administering your decision on whether I am justified in voicing these concerns or not. If I am not, you may turn down my reconsideration of permission to Appeal the 14 January 2019 dated Order of the Court on E35YM660 (Dr Shantanu Panigrahi vs Mrs Theresa May; nay the present Prime Minister of the United Kingdom, Mr Boris Johnson as the Defendant singly).

2. The petitions in question were:

2. Further evidence for my petitions may be examined at the following websites which have stood the test of time in that they were beyond criticisms from the general public because they are factual representations of the investigations that I have conducted in arriving at the petitions:

3. The evidence in these websites support the Particulars of Claim in the Claim Form and the Appellants Notice of a concerted national and international conspiracy against me to obstruct justice and pervert the course of justice by the States concerned. The government is therefore

obliged to take these petitions seriously or give its reasons for not considering them through the normal processes of Parliamentary scrutiny. The functioning of the Parliament and the Monarchy must be subject to the due process of scrutiny through the Courts to outline individual responsibilities to society and hence this Claim that I am pursuing. Otherwise there is no hope for the nation that I love.

4. Madam, a Judge of Her Majesty's Establishment is the law of the nation. Please therefore advise me if I am right or wrong in bringing this to your attention.

5. As you must be aware, I have only asked for a nominal £3000 in damages and compensation for what I have suffered over 22 years that led me to my published petitions because I am only progressing this Appeal proceedings in sincere belief that it is in the public interest nationally and globally.

6. Please therefore advise me if a Judgement or Order can be considered now appropriately to bring a closure to this long-standing (22 year-old) saga.

Yours faithfully

Dear Julie

There is some uncertainty in my mind this morning on a number of inter-related issues, as follows:

My wife had telephoned a few days ago and spoken with Dr Odesanya about various concerns she had about my wellbeing and her role in supervising this at our home. I understood from her that a medication review was being considered, and they had agreed that Dr Odesanya will write to me a letter of appointment for a Face to Face assessment.

Whilst I did not wish any further appointments in Britton House, I do realise that I can only be released into the primary care of my doctor Dr Mawanche at the Shah Surgery with Dr Odesanya's approval and issue of another Care Plan document stating that this discharge into primary care has been effected.

I therefore telephoned Britton House when I did not receive such a letter in the post. The lady receptionist (Jane) told me that she can give me the time of the appointment over the phone, and did so as being 9 December 2020 at 10.00 am.

Whilst I am agreeable to see him and acceded to his request that my wife must accompany me to the Meeting at on the 9th of December without any such letter arriving in the post by then, although this would have been helpful to update my official records that I maintain, Dr Odesanya must be made aware of certain other developments. Kent Police's lady Police Officer (Badge No 6.204) came to our home yesterday roughly around 3.15 pm yesterday to follow up a contact made by the Hempstead Valley Shopping Centre Branch of Santander Bank following my decision to convert both the Bank Account Names to TCLP-UK (The Conservative Libertarian Party of the United Kingdom) of which I am the General Secretary awaiting the completion of registration that has been applied for at the Election Commission. I left our Santander Passbook relating to the joint-account that I am Claiming for TCLP-UK, and explained to the Police Officer that my suggestion that our family finances must be separated by my Teacher's Pension money continuing to be credited into our Barclays Current Account for the running expenses of the household to be eventually given to our daughter Shanti Rupa Panigrahi from all future proceeds starting yesterday and I accordingly make no Claim to that Account held at Barclays Bank PLC. The Police Officer asked my wife to telephone Santander and find out what is happening following my decision as above, and she got both the Santander Account Blocked by the Bank. This is most disconcerting as I as the General Secretary of the Party have transactions to implement right now to progress its work, and so a decision of the separation of financial assets must be considered at the forthcoming meeting in light of the legal advice and representation made to the Bury St Edmonds Regional Divorce Centre through Managed Divorce to which the £347 Lawyers' Fees has been paid.

Furthermore, the Police Officer had undertaken to contact the Social Services to visit our home to iron out the Carer's responsibility that to her as 'not being a good Carer, but a Control Freak), but no one from Social Services has contacted me as thing stand right now.

I have given my Barclays Current Account details for the income that I will earn from Sainsbury's employment as Services Assistant for which the Induction is imminent on 8 December 2020 at 9.00 (Angel Centre, Tonbridge, Mr Calum Hayward contact 01732 359811), which I wish to use for my personal expenses through the Barclays Account with all the Santander Money in the two Accounts held there belonging to the TCLP-UK from now onwards. The cheque book that I applied for online to Santander must be endorsed accordingly before it is sent when these Accounts are unblocked with Statements on both Accounts to be sent to me as the General Secretary of the Political Party. This should be done immediately and in this regard, I am copying this email for the attention of Her Honour Judge Backhouse for deliberations on the attached revised Claimants Submission to the CLAIMANT'S SUBMISSION5Dec2020.docs attached-

proceedings of Claim E35YM660. Related to this is the fact that I asked the Policewoman showing her my British Passport that I was concerned about for not going to my Induction yesterday at 2.00 pm for my Christmas Casual Appointment that I will reschedule by copy of this email to Royal Mail. Her clear advice was that my British Passport is valid and no one can take this away from me at the forthcoming Inductions at Royal Mail and Sainsburys.

I await your next response, and a redated letter of Appointment on a later date than 9 December 2020, without the presence of my wife at the appointment for the above-mentioned reasons.

Yours sincerely

Dear Sir

I am not clear whether the Master at the Court of Appeal has read my attached complaint on this Saturday against his deliberate deceitful misinterpretation of my Appeal in Case Number 2018/PI/11721 that I sought an explanation for in terms of Full Written Reasons for the progress of this Appeal as attached: ToCourtOfAppealccSupremeCourt5Sep2020 but it would appear from the two additional bullying, intimidatory and harassing emails designed to pervert the course of justice that I have just received as attached Frindeed5Sep2020c.docx and FrExtinctionRebellion5Sep2020b.docx, that Master concerned remains unapologetic for having misled me and the wider legal community.

Please identify the name of the Master responsible for this crime against humanity immediately, unless Her Majesty the Queen has voluntarily abdicated to avoid being summoned to the Court to explain her conduct over the past 20 years of monarchy that saw me being persecuted by the State and its overseas allied States for daring to retaliate at the monsters of the University of Greenwich, Shell UK, Sainsburys, Royal Mail, and the Mental Health authorities by publishing my discoveries on the unravelling of the British State in my Blog <https://shantanu.wordpress.com>.

Medway and Swale Advocacy Partnership

1. Thank you of your email of Thu, 20 Aug at 11:13, explaining that there were multiple issues involved in my earlier emails and that this was the reason that you could not assist me with with your advocacy services.

2. I am disappointed about this belated email from you because it did not come before the meeting that took place on the 14 August 2020.docx, with Dr Odesanya so that I had a confusing meeting with Dr Odesanya and with my wife joining in the conversation, the outcome of which is still not known to me for - see that attached correspondence with Lisa Pennington of Porchlight. FrLisaPenninton19Aug2020.docx relating to my query to the North Kent Magistrates Court as attached: ToNorthKentMagistrates18Aug2020.docx, which specifies the Charge, as follows:

The charge specified is therefore 'conspiracy to persecute Dr Shantanu Panigrahi into a mental hospital or to drive him to a mental state that would lead him to terminate his life in this country'.

3. This is most clearly exemplified from the fact that I did not receive a telephone call or email or letter in the post from Dr Odesanya so far to clarify the outcome as I had perceived it and discussed in my correspondence with Lisa Pennington, who I will see only after I have received an updated Care Plan from Britton House (to answer her question of when I would be available to see her next).

4. There has been no correspondence from Sayeeda Choudhary or DAS Law concerning these proceedings, nor from Bar Council Portal concerning the attached appointment FrBarCouncilPortal25Jul2020.docx, so I will now proceed with looking for another mental capacity solicitor, if you do not change your mind and reply to this email before 12 noon today to pursue the Claim E35YM660 at the Central London County Court that remains adjourned as far as I know from the only document that I have so far received from the Court of the Defendants relating to the Claim: see Central London County Court Judgment or Order 12 May 2020.docx, and because my cherished Blog <https://shantanup.wordpress.com> continues to be disabled pending the judgment of this Court.

5. The main defendants and respondents are copied into this email as appropriate for their replies on how they defend against this charge to justify their roles in the persecution on my over the past 22 years of living in this country of the United Kingdom, which I will never leave, even if it means that I am incarcerated again in a mental hospital for pursuing my perceived aim at justice, no matter how long this takes, and notwithstanding the intransigence of the Indian High Commission to reply to my concerning the my application for a Person of Indian Origin Card, to facilitate my holidays in India with my family in the future.

6. You will appreciate from this email that I am determined to maintain my sanity no matter how long this State-organised persecution continues, as for example from the reissue of the attached email from Reed this morning when I had clearly stated that I am leading a secluded life so they should have left me alone now: FrReed21Aug2020.docx.

7. I am copying this email to the Court of Appeal because I am still not in possession of the Full Written Reasons for Her Honour Judge Backhouse' disposal of the Claim without an properly constituted Hearing of these matters that would have exonerated me in the eyes of the world, as the sanest person who ever lived with the intelligence to match this bombastic-sounding Claim as a purushuttama conceived through my Brahmaadvaita religion of Hinduism, and notwithstanding the continued rejection of Hindu Dharma Forums to entertain this final chapter of Vedanta.

Yours sincerely

Hi there,

Thank you for reaching back out regarding your complaint submitted on November 27, 2024.

Stripe has reviewed your follow-up response and determined that its final response as issued on December 5, 2024 is firm. Unless additional information is provided regarding your complaint, Stripe will be unable to engage with you further on this topic.

During a routine assessment, Stripe determined that your account presented too high a risk to continue supporting, which resulted in the closure of your account. This decision aligns with our Services Agreement, which you can review here: [Stripe Services Agreement](#).

Due to the high risk of potential losses associated with the charges on your account, we are currently unable to release these funds. Any available funds in your account will be released once the risk of disputes has passed, following the designated hold period.

After conducting a further review of your account in light of your complaint, we regret to inform you that we are unable to take further action regarding reinstatement.

We trust that the above clarifies this matter; however, if you have any further questions or concerns based on new information, please do not hesitate to contact us again.

Sincerely,  
Will

Hi there,

Thank you for bringing your concerns to our attention. We appreciate the opportunity to investigate your complaint. Please find below Stripe's final response to your complaint submitted on November 27, 2024

#### Summary

User has raised a complaint to reinstate the account.

#### Details of our review

During a routine review, Stripe determined that your account was too high risk to support. As such, it closed your account. The closure of your account is in accordance to Stripe's Services Agreement:

<https://stripe.com/legal/ssa#termination>

Given the high risk of losses associated with the charges on your account, Stripe is unable to release these funds as of now. Any available funds on your account after the risk of disputes have passed, shall be released to you post this period.

#### Conclusion

Stripe has reviewed your account again in light of this complaint and determined that it is not able to take further action here.

We trust that the above clarifies this matter; however, if you have any further questions or concerns based on new information, please do not hesitate to contact us again. Should you remain dissatisfied with our final response, you have the right to refer your complaint to the Financial Ombudsman Service <https://www.financial-ombudsman.org.uk> free of charge, and you must do so within 6 months. If you do not refer your complaint in time, the Ombudsman will not have our permission to consider your complaint and so will only be able to do so in very limited circumstances. Dear Stripe

I only go by the evidence. There is no evidence of any legal proceedings is pending or being undertaken now by The Court of Appeal to examine the Particulars of Damages and Compensation J00ME572 at Medway County Court in Dr Shantanu Panigrahi vs Kent Police (attached and E35YM660 at the County Court of Central London (Dr Shantanu Panigrahi vs Prime Minister of the United Kingdom). Furthermore there is no evidence that the House of Commons Petition Committee will discharge the proceedings on the Petition matter as attached (ToHOCPetitionsCommittee(Publication of the Original Petition is required without any delay that is immediately)30Nov2024.docx.

Under the circumstances, Stripe should consider the technicalities of the Banking Support to the Conservative Libertarian Publications Limited by itself and issue me with a final Statement to close the matter. This is because I have other things that I wish to get on with (THIS IS WHERE I SAY GOODBYE-digital.pdf attached), and cannot get bogged down to what has been a painfully long experience of developing TCLP-UK.

I trust that Stripe will accordingly now determine the outcome of this serious matter that has been turned into a charade by the powers that be of the State of the United Kingdom.

For your information and deliberations, I have asked the Court of Appeal to adjudicate on the Dispute: hopefully it will come through within the 25-30 days that I promised Stripe yesterday to address the questions that are a stumbling block to the restoration of the full Banking Support that The Conservative Libertarian Publications Limited requires to progress into its mission of becoming a mass membership Cultural Republicanism Party in the United Kingdom.

Furthermore there is no evidence that the House of Commons Petition Committee will discharge the proceedings on the Petition matter as attached (ToHOCPetitionsCommittee(Publication of the Original Petition is required without any delay that is immediately)30Nov2024.docx.

Under the circumstances, Stripe should consider the technicalities of the Banking Support to the Conservative Libertarian Publications Limited by itself and issue me with a final Statement to close the matter. This is because I have other things that I wish to get on with (THIS IS WHERE I SAY GOODBYE-digital.pdf attached), and cannot get bogged down to what has been a painfully long experience of developing TCLP-UK.

I trust that Stripe will accordingly now determine the outcome of this serious matter that has been turned into a charade by the powers that be of the State of the United Kingdom.

Yours sincerely

Dear Stripe

For your information and deliberations, I have asked the Court of Appeal to adjudicate on the Dispute: hopefully it will come through within the 25-30 days that I promised Stripe yesterday to address the questions that are a stumbling block to the restoration of the full Banking Support that The Conservative Libertarian Publications Limited requires to progress into its mission of becoming a mass membership Cultural Republicanism Party in the United Kingdom.

Should Stripe have any fresh contributions to submit, I should be pleased to receive them this morning.

Yours sincerely

Thank you for contacting the Financial Ombudsman Service, we are a free service set up to resolve disputes with financial businesses, like banks or insurance companies. We're helping a lot of customers at the moment, so I'm sorry we won't be able to reply straight away.

If you're contacting us about a new complaint

You can find out more about the things we can help with on our website – where you can also use our complaint checker tool to see if your complaint is one we can look at.

If we can help, we will get back to you within 7 days. Due to the volume of enquiries we receive, we are only able to reply to those customers we can help.

If you already have a complaint with us

We'll contact you once your complaint is with a case-handler.

However, if you're experiencing serious financial or health problems, or need to speak to someone urgently, please call us on 0800 023 4567.

If we are not able to help you

We can only look at complaints about financial businesses (like banks, insurance companies and finance firms). We can't help with other complaints – for example, about phone and utility companies, council tax or legal services. Please look at our website for more information about other organisations that may be able to help – but they are completely separate from the Financial Ombudsman Service

And just to remind you again, if we can help, we will get back to you within 7 days.

Thanks,

Financial Ombudsman Service
